Offl. Memo. No. 38585-1-D-2, P.H., 23rd September 1934

Establishment—Medical Institutions—Local Fund and Municipal—District Boards and Panchayats—Existing strength—Statements—Called for.

Official Memorandum—No. 38585-1-D-2, P.H., dated 23rd September 1934.

All presidents of district boards are requested to submit to Government, within three weeks from the date of receipt of this memorandum, information in the appended form in respect of each medical institution including rural dispensaries under the control of district boards. They are also requested to obtain and submit, as early as possible, similar information in respect of the medical institutions under the management of panchayats. The statements relating to institutions of Indian medicine and homœopathic institutions should be submitted through the Principal, Indian Medical School, and those relating to other institutions through the District Medical Officer and the Surgeon-General. The information in respect of each institution should be prepared on separate sheets.

2. The officers mentioned in paragraph 1 above should scrutinize the statements expeditiously and transmit them with their remarks on the following points :—

(1) The adequacy of the staff employed.

(2) Whether the existing staff is in excess of requirements.

(3) Whether each member of the existing staff possesses the qualifications prescribed for the post.

(4) The grade of officer required for each institution (i.e., whether officers of the grade of Civil Assistant Surgeon, Sub-Assistant Surgeon or Medical Officers with L.I.M. qualification are required).

3. The Surgeon-General is requested to issue detailed instructions to District Medical Officers as regards the basis on which the scrutiny of the statements should be carried out. A copy of the circular containing the instructions should be submitted to the Government.

4. Presidents of district boards and the officers concerned are requested to treat the matter as very urgent.

(By order of the Government, Ministry of Local Self-Government)

S. G. SENGODAIYAN,
Deputy Secretary to Government.

To all Presidents of District Boards.
,, the Surgeon-General.
,, the Principal, Indian Medical School.

Sir,

In submitting herewith the statements received from the President District Board, South Kanara in respect of institutions of Indian Medicine, I have the honour to state as follows:--

Subsidized rural ayurvedic dispensaries: Only a medical officer is employed in four dispensaries. In the rural dispensary Kalpe a midwife is employed in addition to the medical officer, [illegible]

dispensary can be considered as satisfactory and the contribution continued only if the medical officer and the midwife are registered under the rules. Regarding the Kirimanjeshwar dispensary, I recommend that the payment of contribution may be discontinued as the attendance at the dispensary cannot be considered as satisfactory. The District Board can better utilize the amount by opening a dispensary at a suitable place and appointing one of its stipendaries who have passed out of this school on the subsidy of Rs.500 per annum.

I have the honour to be,

Sir,

Your most obedient servant,

Principal.

Establishment - Medical Institutions - Rural - South Kanara Dt - Dispensaries - Medical and non-medical Staff - Fixing the strength

A statement showing the strength of the Staff employed in the rural dispensaries in the South Kanara Dt is put up at flag (N).

2. Please see the remarks of the P. D. M.S in this connection on pp 1-2 of. He Considers that, in the Case of the five subsidised rural dispensaries, the Staff employed is adequate. no action is therefore called for.

3. In the case of the non-subsidised rural dispensary at Paidabettu The P. D. M.S. Considers that the contribution from the Dt Bd funds may be continued only if the medical Officer and the midwife are registered under the rules. In G.O. No 101 P.H. dt 15.1.35 the Govt have informed P. Dirs that all unregistered practitioners of Indian medicine in the employ of local bodies

may be retained in service upto 1.4.35.
If the practitioner at Parivalika does not get himself registered before that date his services will ~~if~~ is presumed, be terminated.

4. As for the registration of the midwife in the rural dispensary at Parivalike, the D.D.S. should ~~may~~ be informed that the services of the midwife may be terminated and that a qualified and registered midwife should be appointed.

5. The P.I.M.S. considers that in view of the low attendance at the rural dispensary at Karimanjeshwar, the Contribution may be discontinued. He is also of the opinion that the Dt. Bd. Can better utilise the amount by opening a dispensary at a suitable place and appointing them a L.I.M. of the Govt. Indian Medical School. The suggestion of the P.I.M.S. may be commended to the South Kanara Dt. Bd. for Consideration.
